

Mira Riad

Esports Presenter, Host, Content Creator

Mira Riad, widely known by her gaming alias "Ephey," is a prominent figure in the Dota 2 esports community, recognized for her roles as a presenter, host, and analyst. Mira has quickly become one of the most respected talents in the Dota 2 scene. She initially gained attention for her in-depth understanding of the game's mechanics and strategic nuances, making her an outstanding analyst during major tournaments such as *The International (TI)* and *WePlay AniMajor*, where she made her debut as a caster in 2021.

Beyond her analytical prowess, Ephey is also celebrated for her engaging personality and unique insights into the game and her ability to present Esports entertainment to a wider audience. She has been instrumental in creating a welcoming atmosphere in the Dota 2 community, using her platforms on Twitch and other media to share her love for the game.

Alongside her presenting work, Mira creates engaging content in the gaming space across her YouTube, Instagram and Twitch.
